Our office is located in central Tübingen across the street from the Blaue Bruecke Cinema. It is near the central train station, several parking garages, and next door to the IBIS Hotel.

Tuebingen is easily accessible via routes B27 and B28. If you are coming from the south (Zürich/Bodensee), take the A81 autobahn toward Tuebingen and take the "Rottenburg" exit. From there, follow route B28 into downtown Tuebingen (Tübingen Zentrum). If you are coming from Stuttgart/Munich, take the A8 autobahn toward Tuebingen. Take the "Leinfelden-Echterdingen" exit and follow route B27 into Tuebingen. In Tuebingen, switch to route B28 and follow it toward downtown Tuebingen (Tübingen Zentrum). There you will find signs for public parking garages.

When visiting itdesign, we recommend using the Metropol parking garages. The Metropol parking garage has a public charging station for electric vehicles.

To walk to the itdesign building from the Metropol parking garage, walk toward downtown (Zentrum) using the pedestrian bridge, and continue along Friedrichstrasse. On the left side of the street in about 100 yards, you will reach the itdesign building.

You can take a train or intercity bus to the Tuebingen central train station (Hauptbahnhof). Exit the train station and turn right toward downtown (Innenstadt). Go past the post office and continue on Poststrasse to the corner of Friedrichstrasse. Turn right and cross over the Steinlach Bridge to arrive at the itdesign building.

The nearest airport is Stuttgart Airport. It takes about 20 minutes to reach Tuebingen by taxi (€ 65–75), Minicar (€ 58, by request only, call +49 7071 93500), or rental car. You can also take bus line 828 to get to the Tuebingen central train station (takes approximately 1 hour).
